Ashley Moffett, LMFT, Lic. #46859
Rosalie Smith, LMFT, Lic. #98142

Communications between therapists and clients who are minors are confidential. However, parents and other guardians who provide authorization for their child’s treatment are often involved in their treatment. Consequently, your therapist, in the exercise of his or her professional judgement, may discuss the treatment progress of a minor client with the parent or caretaker. Clients who are minors and their parents are urged to discuss any concerns or questions they may have on this topic with their therapist.

I, _____ , give consent for my child, _____ ,
